ability of the Imperial Dairy Farm, Bangalore, to taxation under the V. P. Regn.

File No. 44 of 1932.

From the Rev. Commr in Mysore
no 1814-1/31-2 dt 7.11.32
Submits for orders of Govt the Case relating to the claim of the A & a V.P. Bangalore to arrears of building tax due from the Imperial Dairy Farm
1. The Re. reports that the Farm in question is the Imperial Institute of Animal Husbandry & Dairying owned by the Govt of India & is under the Imperial Dept of Agriculture in India, that the Bangadi V.P. within whose limits it is situated has levied a building tax of Rs 20/- pa. on the buildings pertaining to the Farm, that the tax not being paid for 4 years the Amildar wrote to the authorities with the panchayet demand notice for settlement of the arrears of Rs 80/- who in reply have stated that the Dept is not liable to pay the tax & that the claim is not valid. The Rev. Commr thereupon addressed the Imperial Dairy Expert to see if the Farm wd come under the exemption under rule 8(c) 1 of the V.P. taxation rules from whose reply it would appear that the Institute is maintained at Great Cost for scientific research & demonstration & training of students & that it is for public purposes & not for purpose of profit. The term 'Govt' in the above rule, the Re. says, is obviously the Govt of Mysore & that the question arises

here whether it does not include, or is at any rate intended to exclude, for purpose of grant of exemption from Panchayat taxes another recognised Govt like the Govt of India. Giving it a ... construction, looking at the general principle underlying the grant of exemption, this Institution would not the R.C. opines, be liable under the cesses to be taxed by the V.P. Pathan in this view no demand in respect of the Institute would arise & the demand now brought and the books would have to be written off. He submits the Case for the orders of Govt as a point of general policy is involved.

3. It seems doubtful if the term 'Government' in Rule 8 of the Rules referred can be taken to include the Govt of India or any other Govt; please see the definition of 'Govt' in Sec 3 (16) of the General Clauses Regn. The rule has perhaps to be amended so as to provide for exemption in cases of this kind in future.

7. The word Government in Clause 8(b)(1) must be construed to refer only to the Government of Mysore and not to any other Government according to the definition of 'Government' in Section 3(16) of the General Clauses Regulation. The Diary Farm is not therefore, entitled to claim any exemption under the above Clause.

The reasons for exempting the buildings at Chamarajapatna & Bhadravati are that they are Govt of India Buildings. Since the rules framed under the U.P. That under the new constitution Federal Property should be exempt from taxation in any form by the Units was one of the recommendations of the First Peel Committee in para 13 of their Report.* The precise constitutional form in which this principle was to be expressed was remitted to the Percy Committee for further examination. This Committee recommends a clause on the following lines:

*Flag "Q"

> "No property belonging to the Federal Government shall be liable to taxation without the consent of that Government.

But the White Paper which outlines the policy of His Majesty's Government, is silent on this matter. Perhaps, it may come up for consideration before the execution of the Instrument of Accession, when, as a measure of reciprocity, the question of immunity of State property from federal taxation will have to be considered also.

GENERAL SECRETARY, 7 NOV. 1932, No. L.9-9

GEN. & REV. DEPTT. 06458 2132 8 NO L. S. G. BRANCH.

Subject:- Re. arrears of building tax, due from the Imperial Dairy Farm, to the Adugodi Village Panchayet(Bangalore Taluk).

SIR,

I have the honour to forward herewith copy of letter No.C2.a 1718 31-32 dated 14th November 1931, together with its enclosures in original received from the Deputy Commissioner, Bangalore District, on the above subject, and to state as follows:-

This Farm is the Imperial Institute of Animal Husbandry and Dairying, owned by the Government of India and is under the Imperial Department of Agriculture in India. The Adugodi Village Panchayet (Bangalore Taluk) within whose limits it is situated has levied a building tax of Rs 20/- per annum, on the buildings pertaining to the Farm. The tax not having been paid for 4 years, the Amildar wrote to the authorities with the Panchayet demand notice for settlement of the arrears of Rs 80/-. In reply, the Imperial Dairy Expert has written that the Department is not liable to pay the tax and that the claim is not valid (vide his letter No.145/814 dated 27th July 1931 in the file).

Under Rule 8 (b) 1.of the Rules issued by Government for the imposition of taxes under the Village Panchayet Regulation, (vide pages 44-45 Village Panchayet Manual), "buildings belonging to Government or the District Board and used solely for public purposes and not used or intended to be used for residential purposes or purposes of profit" are exempt from the Panchayet taxes. To find out the exact scope and purpose of this Institute, the Imperial Dairy Expert was written to, from this Office. From his reply received (vide his letter No.145/5334 of 193 dated 10th/15th June 1932, copy enclosed together with copy of its

enclosure), it is seen that this Institute is maintained at great cost for scientific research and demonstration and training of students,and that it is for public purposes and not for purpose of profit.

The term 'Government' in the Rule noted above means obviously the Government of Mysore,but the question arises here whether it does not include or is intended to exclude at any rate, for purposes of grant of exemption from the Panchayet taxes, another recognised Government like the Government of India. Giving it a wide construction,and looking at the general principle underlying the grant of exemption, this Institute would not, in the circumstances, be liable to be taxed at all by the Village Panchayet. In this view of the case, no demand in respect of the Institute would arise,and the demand,now brought on the books would have to be written off.

As a point of general policy is involved, I submit the case for the orders of Government in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Revenue Commissioner.

G.R.

Letter No.C2. a.1718/31-32 dated 14th November 1931, from the Deputy Commissioner, Banglore District, to the Revenue Commissioner in Mysore.

I have the honour to state that it is reported by the Sub -Division Officer, Bangalore Sub Division that the Panchayet of the Adugodi village in the Bangalore Taluk have levied a tax of Rs 20/- per year on the building of Imperial Dairy Farm situated within the limits of the village, that the authorities of the Dairy Farm have to pay Rs 80/- being the aggregate tax for four years, that in reply to the Demand notice issued, the Dairy Expert has replied that the Farm is in no way benefitted by the Village Panchayet and there is no validity for this claim.

Under Rule 8 (1) of the Rules issued under notification No.4347/L.B. 26-26-126 dated 6th January 1927, only the buildings belonging to Government or the District Board used solely for public purposes are exempted from payment of tax. There is no provision exempting the British Government buildings from payment of the Village Panchayet taxes.

Under these circumstances, I request you to kindly issue necessary instructions in the matter. The correspondence ending with Bangalore Sub Division Officer's No.B2.267/31-32 dated 17-9-1931 is submitted herewith.

Letter No.145/5334 fo 1932 from the Offg.Imperial Dairy Expert, Bangalore to the Revenue Commissioner in Mysore.

In reply to your letter No.C.1814/31-32 dated 15th March 1932, I have the honour to state that the primary object of starting the Institute at Bangalore was for scientific research and demonstration and teaching of students, but as this farm as a Military Dairy (before this Department took over this farm), was maintained to supply dairy produce to the British troops, a condition was made with this Department by the Military that these supplies were to be continued. As a research and educational institute it was necessary to have full equipment in-cluding cattle and therefore supplies to British troops have continued to be made, as the Institute would other wise have to dispose off the dairy products some other way. The Institute is therefore not maintained for commercial purposes.

I enclose herewith copies of para 5 & 6 from the audit report on the accounts of Bangalore Institute for the year ending 31st March 1930. This will explain the position of the institute as regards its financial working and the cost to Government in keeping this institute.

In the year 1930-31 the total deficiency was Rs 56758-2-10 of which Rs 45462-10/- was the net cost of education and research and Rs 11395/8-1 as the loss on commercial activities.

The aforesaid will show the enormous cost to Government in running this institution for public benefit and it should not therefore be taxed.

I return herewith the Mysore Village Panchayet Manual received with your letter No.C.1814/31-32 dated 11-5-1932.

5. Financial result of the year. The financial result of the working of the year as brought out in the Trading and Profit and Loss account is a total deficiency of Rs 50469-5-0 without including interest and other indirect charges amounting to Rs 29,984/- which are shown as a foot note to this account. This deficiency of Rs 50,469/5/- has been allocated in the accounts to (1) Education and Research (Rs 37,704-8-3) and (2) Commercial activities (Rs 12,764-12-9 of the total deficiency of Rs 80,453/- including indirect charges for the year, Rs 49,642/- may be taken as the net cost of education and research and Rs 30811/- as the loss on commercial activities.

6. Comparison of results with the previous years. The financial result brought out in the Trading and Profit and Loss account for the year is compared below with those for the two previous years:-

Particulars.	1929-30. Net cost on E & R.	1929-30. Loss on Comml. activities.	1928-29- Net cost on E & R.	1928-29- Less on Comml activities.	1927-28 Net cost on E &. R.	1927-28 Loss on Comml. activitie
As per Trading & Profit and Loss account	Rs 37704	Rs 12765	38364	3557	34504	1098.
Indirect charges not included in the accounts.	11938	18046	10345	15928	9048	14154
	49642	30811	48709	19485	43552	15252
	80453-		68194		58804	

It will be seen that the loss relating to the commercial side exclusive of indirect charges has been increasing considerably from year to year more or less in a geometrical progression. The cost apportioned to Educational Activities ismore or less stead and does not reveal fluctuations to the same extent. The percentages of the loss on commercial activities to the total loss for the several years are given in the following table:-

	Exclusive of indirect charges.	Inclusive of indirect charges.
1929-30	25%	38 %
1928-29.	8%	29%
1927-28	3%	26%

SIR,

Your letter dated 17th July 1931 forwarding Village Panchayet tax bills for payment have been forwarded to this office by the Superintendent, Imperial Institute of Animal Husbandry and Dairying, Bangalore and I have the honour to state that no such taxes have ever been paid before by this Department and this Department repudiates liability of the above claim. The Imperial Institute is owned by the Government of India having been purchased from the Military Department and is not a member of the Panchayet and neither it is benefited in any way by your Village Organizations. It has its own roads and all --- expenses for its upkeep are borne by Government. This office fails to see the validity of this claim. The bills have --- been filed in this office.

1) Post and Telegraph Office Building at Chennagiri,
2) -do- at Shimoga
3) Bazar Post Office Building at Shimoga.
4) Post Office Building at Bhadravati.

The President of the Shimoga Municipality states that the Municipal tax is being levied on the buildings in the Municipal area at the usual rates prevailing in the Town. The President, Chennagiri Municipality reports that a tax of Rs.5-2-6 is being levied in respect of the building at that place. The President of the Bhadravati Municipality states that a tax of Rs.8/- levied on the building during 1928-2 is still pending recovery and that the assessment was cancelled in the subsequent years. The circumstances under which the tax on the building in Bhadravati was exempted is enquired into and on receipt of the information, a further report in the matter will be submitted.

SIR,

With reference to your letter No.Pol.551/V.P.44-33-17 dated the 24th November 1933, I am directed to say that the Imperial Institute of Animal Husbandry and Dairying, Bangalore, is a Government concern and is run only as an educational and research Institute. It is not conducted on commercial lines; and the income which it receives from the supply of dairy produce to troops represents only a very small fraction of its expenditure on research and educational work. In the circumstances I am to enquire whether the Government of Mysore will be so good as to exempt the buildings of the Institute from liability to taxation under the Mysore Village Panchayet Regulation.
